PRESENT CARD FOR \$200 OFF YOUR MONALISA TOUCH TREATMENT

Why MonaLisa:

- Committed to Gynecologic Health. Only Available in Gynecologic Practices.
- Based on Extensive Research of vaginal atrophy, pain, vulvar conditions and Lichens Sclerosus. (24 published articles).
- Non-Surgical, No Hormones, Pain-Free, Series of three (3) treatments which take less than five (5) minutes.
- Effective Option for Cancer Survivors.
- Fractional CO2 laser technology stimulates the growth of new, healthy vaginal and vulvar epithelium and collagen production. Reduction in the surface inflammation of the vagina and vulvar tissue. Reduced pain with intimacy, increase in natural lubrication, and possible improvement of mild incontinence.

Why Academia?

- Dr. Stepanian is Atlanta's MonaLisa Touch physician with 25 years of experience with lasers.
- MonaLisa Touch Available in-office. First treatment can be done THE SAME DAY as the Candidacy exam. (Candidacy exam is eligible for insurance, Academia also accepts Medicare).
- Academia offers Special MonaLisa Pricing and Patient Referral Program (See the back).
- Treatments Conducted at a Full Service Gynecologic Practice specializing in medical and surgical treatment of Pelvic Pain Endometriosis, Uterine Fibroids, Pelvic Organ Prolapse, Urinary Incontinence, Abnormal Uterine Bleeding, Sexual Dysfunction, Menopause, Vaginal Atrophy, & Congenital Conditions like MRKH.
- Specialty in Advanced Minimally Invasive and office-based Gynecologic Surgery.
- State of the Art Laparoscopic Hysterectomy.
- Strategic Women's Health Consulting.
